

Thank you!

Alana E. Solman

Dear Alana,

Your generous support this past year, alongside the efforts of the Township of North Kawartha team, was a powerful expression of your belief in building community. On behalf of all of us at United Way Peterborough & District: our staff, volunteers, and partners, thank you for standing with us. And thank you for joining us on the journey of building community.

Because of your generosity, we were able to exceed our ambitious 2024 campaign goal of **\$1.5 million!** That success is a reflection of the care and commitment of donors like you, and the collective impact of workplace teams across our region. It's already creating meaningful change in lives across our city and county:

- More than **23,000 people** in our community were supported through over **266 programs** and services delivered by our **20 partner agencies**.
- **234,000 food supports** were provided, including 6,000+ food baskets, 1,000+ food cards, and nearly 227,000 meals.
- **196 community-building events** were held, with over **6,762 participants**.

Your gift is more than a donation; it's an investment in people and in possibility. It sends a clear message that community matters and that, together, we're paving the road toward a more supportive and inclusive Peterborough.s

As we look forward to this year, we are excited to continue this journey with you. Your support, together with your colleagues, makes a lasting difference, and we are so grateful to have you walking this road with us.

With gratitude,

Jim Russell, B.A.A.S.W., M.S.W.
