Volunteers Are Needed For All Parks & Recreation Programming

The Township of North Kawartha appreciates the assistance we receive from our Instructors and Volunteers for all programs, whether youth or adult-orientated. Without your participation these programs will not exist.

There are many benefits to volunteering for our programs. For example, all secondary students are required to complete 40 hours of volunteer community involvement, to receive their secondary school diploma. This community involvement requirement encourages students to develop an understanding of the various roles they can play in their community, and an appreciation for the value of community service.

Whether a parent, guardian, or community-minded volunteer played, or is knowledgeable about a particular sport or program, is not necessarily a requirement. It's your willingness to help organize and lead participants in how to have fun; that is the main qualification.

Again, we cannot stress strongly enough that without Volunteers, these programs are not viable.

If you can assist us with ANY of our programs, please call Shawn Tucker at 705-656-4445 ext 251, or email: s.tucker@northkawartha.ca
