

The Corporation of the Township of North Kawartha

By-law 2022- 0005

Being a by-law of the Corporation of the Township of North Kawartha Respecting Construction, Demolition and Change of Use Permit and to repeal By-Law #2020-067 (Building By-Law)

Whereas Section 7 of the Building Code Act, 1992, S.O. 1992, Chapter 23, as amended authorizes Council to pass by-laws respecting construction, demolition and change of use permits and related matters;

And Whereas Section 391 of the Municipal Act, 2001, S.O. 2001, c.25 authorizes a Municipality to impose fees or charges on persons for services or activities provided or done by or on behalf of it;

And Whereas the Council of the Corporation of the Township of North Kawartha desires to repeal By-law #2020-067 and enact a new building by-law for the issuance of permits and related matters, including a fee schedule for all applicable building permit fees.

Now Therefore the Council of the Corporation of the Township of North Kawartha do hereby enact as follows:

Part 1 – Definitions

1. For the purposes of this By-law, the following definitions and interpretations shall govern:
 - a) "Act" means the Building Code Act, 1992, S.O. 1992, Chapter 23 as amended;
 - b) "applicant" means the owner of a building or property who applies for a permit, or the person authorized by the owner to apply for a permit on the owner's behalf;
 - c) "architect" means a holder of a license, a certificate of practice, or a temporary license under the Architect's Act as defined in the Building Code.
 - d) "as constructed plans" means as constructed plans as defined in the Building Code;
 - e) "building" means a building as defined in Section 1(1) of the Act;
 - f) "Building Code" means the regulations made under Section 34 of the Act;
 - g) "Chief Building Official" means the Chief Building Official appointed by Council under Section 2 of the Act for purposes of enforcement of the Act;
 - h) "Construct" means to construct, or cause to construct, a building as defined in Section 1(1) of the Act;
 - i) "Corporation" means the Corporation of the Township of North Kawartha;

- j) "demolish" means to do anything in the removal of a building or any material part thereof as defined in Section 1(1) of the Act;
- k) "forms" means the applicable Provincial or municipal prescribed forms as set out in Schedule "C" to this By-law;
- l) "inspector" means an inspector appointed under Section 2 of the Act;
- m) "owner" included, in respect of the property on which the construction or demolition will take place, the registered owner, a lessee and a mortgage in possession;
- n) "permit" means written permission or written authorization from the Chief Building Official to perform work regulated by this By-law and the Act or to change the use of a building or part of a building or parts thereof as regulated by the Act;
- o) "plumbing" means plumbing as defined in Section 1(1) of the Act;
- p) "professional engineer" means a person who holds a license or a temporary license under the Professional Engineer's Act;
- q) "registered code agency" means a person or entity that has the qualifications and meets the requirements described in subsection 15.11(4) of the Act;
- r) "regulations" means regulations made under the Act;
- s) "sewage system" means a sewage system as defined in Division A 1.4.1.2. (1);
- t) "work" means construction or demolition of a building or part thereof, as the case may be.

2. Terms not defined in this By-law shall have the meaning ascribed to them in the Act or the Building Code.

Part II - Class of Permit

3. Classes of permits with respect to the construction, demolition and change of use of buildings and permits fees shall be as set out in Schedules "A" and "B" to this By-law.

Part III - Permit Application

4. To obtain a permit, the owner or an agent authorized in writing by the owner shall file with the Chief Building Official an application in the prescribed Municipal Forms as set out in Schedule "C" to this By-law or by using the CloudPermit software.

General Requirements

5. All applications for a permit, in addition to meeting all other application requirements set out in this By-law, shall;

- a) identify and describe in detail the work, use and occupancy to be covered by the permit for which the application is made;
 - b) identify and describe in detail the existing uses and the proposed use(s) for which the premises are intended;
 - c) include the legal description, the municipal address and where appropriate the unit number of the land on which the work is to be done;
 - d) be accompanied by plans and specifications as described in this Bylaw;
 - e) be accompanied by the required fees as calculated in accordance with Schedules "A" and "B" to this By-law;
 - f) be accompanied by the completed "Listing of Applicable Law" form in accordance with Schedule "C" to this By-law;
 - g) state the name, address, email address and telephone number of the owner, and where the owner is not the applicant, the authorized agent, and where applicable, the qualified architect, engineer or other designer and the constructor or person hired to carry out the construction or demolition, as the case may be;
 - h) when Division C, Section 1.2 of the Building Code applies, be accompanied by a signed acknowledgement of the owner on the prescribed form that an architect or professional engineer, or both, have been retained to carry out the general review of the construction or demolition of the building;
 - i) when Division C, Section 1.2 of the Building Code applies, be accompanied by a signed statement of the architect or professional engineer, or both, on the form prescribed, undertaking to provide general review of the construction or demolition of the building;
 - j) include, where applicable, the applicant's registration number where an applicant is a builder or vendor as defined in the Ontario New Home Warranties Plan Act; and
 - k) be signed by the owner or authorized agent who shall certify as to the truth of the contents of the application.
6. In addition to the general requirements set out above, and application for a construction permit shall:
- a) use the provincial application form, "Application for a Permit to Construct or Demolish" or by using the CloudPermit software;
 - b) include complete plans and specifications, documents and other information as required by Division C, Section 1.3.1 of the Building Code and as described in this By-law for the work covered by the permit.

7. In addition to the general requirements set out above, an application for a construction permit for part of a building shall:
 - a) use the provincial application form, "Application for a Permit to Construct or Demolish" or by using the CloudPermit software;
 - b) include plans and specifications covering the work for which more expeditious approval is desired, together with such information pertaining to the remainder of the work as may be required by the Chief Building Official;
 - c) be accompanied by the required fee for the entire project and required administrative fee for the partial permit as calculated in accordance with Schedule "A" to this By-law; and
 - d) where partial permit is requested the application is deemed to be incomplete.

8. In addition to the general requirements set out above, an application for a demolition permit shall:
 - a) use the provincial application form, "Application for a Permit to Construct or Demolish";
 - b) when Division C, Section 1.2 of the Building Code applies, be accompanied by a signed statement of field review by the owner on a form prescribed by the Chief Building Official;
 - c) include complete plans and specifications, documents and other information as required by section Division C, Section 1.3.1 of the Building Code and as described in this By-law for the work to be covered by the permit;
 - d) be accompanied by satisfactory proof that arrangements have been made with the proper authorities for the cutting off and plugging of all water, sewer, gas, electric, telephone or other utilities and services; and
 - e) be accompanied by a Property Status Form prescribed by the Chief Building Official and;
 - f) indicate method of demolition.

9. In addition to the general requirements set out above, an application for a conditional permit pursuant to subsection 8(3) of the Act, shall:
 - a) use the provincial application form, "Application for a Permit to Construct or Demolish" or by using CloudPermit software;
 - b) include complete plans and specifications, documents and other information as required by Division C, Section 1.3.1 of the Building Code and as described in this By-law for the work to be covered by the permit;
 - c) state the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted;

- d) state the necessary approval which must be obtained in respect of the proposed building and the time in which such approvals will be obtained;
 - e) state the time in which plans and specifications of the complete building will be filed with the Chief Building Official; and
 - f) require the owner and such other persons as the Chief Building Official determines to enter into an agreement with the municipality.
10. In addition to the general requirements set out above, an application for a change of use permit shall:
- a) use the application form in Schedule "C" to this By-law, "Application for a Change of Use" or by using CloudPermit software;
 - b) describe the building in which the use is to be changed, by a description that will readily identify and locate the building;
 - c) identify and describe in detail the current and proposed uses of the building or part of a building for which the application is made;
 - d) include plans and specification showing the current and proposed use of all parts of the building, and which contain sufficient information to establish compliance with the requirements of the Building Code, including: floor plans, details of wall, ceiling and roof assemblies identifying required fire resistance ratings and load bearing capacities and, details of the existing "sewage system", if any
11. An application for occupancy of an unfinished building permit pursuant to Division C, Section 1.3.3 of the Building Code, shall:
- a) use the application form in Schedule "C" to this By-law, "Application for Permit to Occupy a Building Prior to Completion" or by using CloudPermit software;
 - b) indicate the total floor area proposed for occupancy;
 - c) include a site evaluation which shall include all of the following items, unless otherwise specified by the Chief Building Official; include the date the evaluation was done;
 - i. include name, address, email address, telephone number and signature of the person who prepared the evaluation;
 - ii. a scaled map of the site showing;
 - A. the legal description, lot size, property dimensions, existing right-of-ways,
 - B. easements or municipal/utility corridors;
 - C. the location of items listed in Column 1 of Tables 8.2.1.5, 8.2.1.6.A, 8.2.1.6.B and 8.2.1.6.C of the Building Code;

- D. the location of the proposed sewage system;
- E. the location of any unsuitable disturbed or compacted areas;
- F. proposed access routes for system maintenance;
- G. depth to bedrock;
- H. depth to zones of soil saturation;
- I. soil properties, including soil permeability; and
- J. soil conditions, including potential for flooding.

12. After the issuance of a permit under the Act notice of any material change to a plan, specification, document or other information on the basis of which the permit was issued, shall be given in writing, to the Chief Building Official together with the details of such change, which is not to be made without the prior written authorization of the Chief Building Official.
13. Notification of any material change may be in the form of an application for revision to a permit where changes are major and may take the form of a revision permit being issued.
14. The Chief Building Official may, where the relevant provisions of this By-law are met, issue a permit for part of a building subject to compliance with the Act, the Building Code and any other applicable law.
15. The Chief Building Official may, where the relevant provisions of this By-Law and Subsections 8(3) to 8(5) of the Act, are met, issue a conditional permit for a building subject to compliance with the Act, the Building Code and any other applicable law.
16. The Chief Building Official is authorized to enter into agreements with respect to conditional permits.
17. The issuance of a permit for a part of a building or a conditional permit shall not be construed to authorize construction beyond that for which approval was given nor obligate the Chief Building Official to grant any further permit or permits for the building.
18. Where an application for a permit remains incomplete or inactive for six months after it is made, the application may be deemed by the Chief Building Official to have been abandoned and notice thereof shall be given to the applicant.
19. Where an application has been deemed to be abandoned, a new application must be filed for the proposed work.

Part IV - Plans and Specifications

20. Every applicant shall submit sufficient information, including plans, specifications, documents and other information, with each application for a permit to enable the Chief Building Official to determine whether or not the proposed construction, demolition or change of use will conform with the Act, the Building Code and any other applicable law as set out in Section 1.4.1.3, Division A, Part 1, 2021 Building Code Compendium, as amended from time to time.
21. Each application shall, unless otherwise determined by the Chief Building Official, be accompanied by one complete sets of plans and specifications required under this By-law.
22. Plans shall be drawn to scale, shall be legible and, without limiting the generality of the foregoing, shall include such working drawings as set out in Schedule "D" to this By-law.
23. Site Plans submitted shall be referenced to a current plan of survey certified by a registered Ontario Land Surveyor and a copy of such survey shall be filed with the municipality unless this requirement is waived because the Chief Building Official is able, without having a current plan of survey, to determine whether the proposed work is in compliance with the Act, the Building Code, and any other applicable law. The site plan shall show;
 - a) lot size and the dimensions of property lines and setbacks to any existing or proposed buildings;
 - b) existing and finished ground levels or grades; and
 - c) existing right-of-way, easements and municipal services.
24. The Chief Building Official may refuse an application if any of the above is deemed to be incomplete or insufficient at the time of application.
25. On completion of the construction, the Chief Building Official may require that a set of plans of the building or any class of buildings as constructed including a plan of survey showing the location be filed with the Chief Building Official.

Part V - Prescribed Notice and Inspections

26. The person to whom a permit has been issued under Section 8 of the Act shall give to the Chief Building Official notice of the readiness for inspection in accordance with prescribed notices described in Division C, Section 1.3.5 of the Building Code.
27. Notices shall be given as required by Division C, Section 1.3.5 of the Building Code.

Part VI - Registered Code Agencies

28. Where the Municipality has entered into agreements with registered code agencies the Chief Building Official is authorized to enter into services agreements with registered code agencies and appoint them to perform specified functions from time to time pursuant to s. 4.1 of the Act.

Part VII - Fees

29. The Chief Building Official shall determine the required fees for the work proposed and the applicant shall pay the fees calculated in accordance with Schedule "A" and "B" to this By-law. No permit shall be issued until the fees therefore have been paid in full.
30. Any person or Corporation who commences construction, demolition or changes the use of a building before submitting an application for a permit or before 14 calendar days have elapsed from the date on which an application for a permit has been accepted by the municipality unless the permit has already been issued, shall in addition to any other penalty under the Act, Building Code or this By-law pay an additional fee equal to 100% of the amount calculated as the regular permit fee, in order to compensate the Corporation for the additional work incurred by such early start to work.
31. Where Fees payable in respect of an application for a construction or demolition permit issued under Subsection 8(1) of the Act or a conditional permit issued under Subsection 8(3) of the Act are based on a floor area, the floor area shall mean the total floor space of all stories above grade, or below grade for an underground building, measured as the horizontal area between the outer face of exterior walls and to the centre of party walls or demising walls.
32. Fees payable in respect of the conditional permit issued under Subsection 8(3) of the Act shall be paid for the complete project plus the applicable additional fee in accordance with Schedule "A" to this By-law.
33. Where Fees payable in respect of an application for a change of use permit issued under Subsection 10(1) of the Act are based on a floor area, the floor area shall mean the total floor space of all stories subject to the change of use.
34. Prior to passing a By-law to change the fees the Township shall:
 - d) hold at least one public meeting at which any person who attends has an opportunity to make representation with respect to the matter;
 - e) ensure that a minimum of 21 days' notice of the public meeting is given to every person and organization that has, within five years before the day of the meeting requested such notice; and
 - f) ensure that the notice includes an estimate of the cost for administering and enforcing the Act, the amount of the fee and change to the existing fee and the rationale for imposing or changing the fee.
35. Any person or organization wishing to receive notice as set out above should make such request in writing to the Clerk's office.

Part VIII - Changing Permit Fees

36. In the case of withdrawal of an application or, abandonment of all or a portion of the work or, the non-commencement of the work or, the refusal or revocation of a permit, upon written request by the applicant the Chief Building Official shall determine the

amount of paid permit fees that may be refunded to the applicant, if any, in accordance with Schedule "B" to this Bylaw.

Part IX - Fencing

37. Where, in the opinion of the Chief Building Official, a construction or demolition site presents a particular hazard to the public, the Chief Building Official may under Clauses 7(1)(i) and 7 (1)(j) of the Act, require the erection of such fencing as the Chief Building Official deems necessary to abate the hazard.
38. The height of every fence shall be a minimum of 4 feet (1.2 meters) and a maximum of 6 feet (1.8 meters), to be measured from the highest adjacent grade and, shall be of a description as determined by the Chief Building Official.

Part X - Transfer of Permits

39. Every person who acquires land on which construction or demolition is occurring in respect of which a permit has been issued, shall apply to transfer the permit.
40. Every application for a transfer of permit shall be submitted to the Chief Building Official and shall:
 - a) use the provincial application form, "Application for a Permit to Construct or Demolish" or by using CloudPermit software;
 - b) include such information as may be determined by the Chief Building Official; and
 - c) be accompanied by the required fee as required in Schedule "A" to this By-law.

Part XI - Penalty

41. Every person who contravenes any provision of this By-law is guilty of an offence and liable:
 - a) on a first conviction to a fine of not more than \$25,000, and
 - b) on any subsequent conviction, to a fine of not more than \$50,000.
42. Where the person convicted is a corporation, the maximum fines are \$50,000 on a first offence and \$100,000 for any subsequent conviction.

Part XII - Miscellaneous

43. All Schedules to this By-law form part of this By-law.
44. A reference to the singular or the masculine shall be deemed to refer to the plural or feminine as the context may require.
45. Should any section, subsection, clause or provision in this By-law be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this By-law as a whole or any part thereof, other than the part so declared to be invalid.

Part XIII - Repeal

- 46. That By-Law #2020-0067 is hereby repealed effective the 1st day of February, 2022.

Part XIV - Short Title

- 47. This By-law shall be known and may be cited as the "Building By-law".

Part XV - Effective Date

That this By-law shall come into effect on February 1, 2022.

Read and Adopted in open Council on the 18th day of January 2022.

Schedule "A" to By-law #2022- 0005

Classification of buildings used
for estimating value of construction
in the Township of North Kawartha

Estimated cost of Construction
per square foot

Residential and Seasonal Dwellings

Single family dwellings and cottage	\$200.00
2 storey dwellings and cottages	
1 st floor	\$200.00
2 nd floor	\$125.00
Finished basement	\$75.00
Attached garage	\$55.00
Detached garages and boathouses with	
Frost wall	\$55.00
Grade slab	\$50.00
Wet slip (boathouse)	\$75.00
Garage 2 nd floor	\$70.00
Residential and recreation storage sheds	\$25.00
Porches	
Roofed in	\$60.00
Screened in	\$75.00
Glassed in	\$90.00
Open decks	
Attached	\$30.00
Detached	\$50.00
Gazebo and open air structures	
Including car-ports up to 530 sq. ft. in area	\$35.00
Over 530 sq. ft. in area	\$45.00
Sleeping cabins (bunkies)	\$150.00
Renovations	\$45.00
New foundation for relocated building	\$35.00

Notwithstanding the above when a seasonal dwelling is constructed with a pier system foundation rather than a full basement for perimeter foundation, the value of construction shall be \$150.00 per sq. ft.

Commercial

Offices (singular) grocery stores, retail stores	\$155.00
Retail stores with apartments & offices above	\$155.00

Repair Facilities

Includes service stations, marine service and repair, small engine repair shop, repair garage, repair shops, automobile body shop \$120.00

Renovation of the above \$55.00/sf

Sales Facilities

Includes automobile show rooms and sale facilities, marine showrooms and sale facilities, recreation vehicle sales facilities \$155.00

Renovation of the above \$55.00/sf

Industrial

Includes furniture manufacturing, metal fabrication assembly plants, woodworking plant or facility \$95.00

Renovations of the above \$70.00/sf

Other Commercial Uses

Hotels, motels, restaurants, taverns, cafeterias, apartments, office buildings conference centre \$175.00

Renovations of the above \$75.00/sf

Agricultural Structures (farm)

Any structure utilized in the operation of a farm requires a permit, ie. livestock barn, animal shelter, crop storage building, equipment storage building but not limited to the above \$45.00

Plumbing Permit \$225.00

Solid Fuel (wood) Permit \$225.00

1. Building permits shall be required for the construction, repair, renovation, extension and/or enlargement of buildings and structures including plumbing as well as change of use.

A fee of \$12.00 for \$1,000 of valuation (or Part thereof). Construction value is based on the table of Appendix A & B which may be amended from time to time.

Minimum fee is \$225.00

2. Demolition permits – a set fee of \$150.00
3. Dock fees – a set fee of \$150
4. Depending on the nature of the proposed work, one or more of these permits shall be required.

Other Fees

- | | |
|---|--------------|
| 1. Administration fee – for entering permits on owners/applicants behalf in CloudPermit | \$100.00 |
| 2. Transfer permits | \$150.00 |
| 3. Order to comply | \$150.00 |
| 4. Stop work order | \$225.00 |
| 5. Liquor license inspection/approval letter | \$75.00 |
| 6. Restaurant inspection/approval letter | \$75.00 |
| 7. Request for inspections/permits older than 10 years from current date | \$150.00 |
| 8. Property standards | \$250.00 |
| 9. Renewal fee for permits older than 2 years | \$150.00 |
| 10. Extra plans review (revised drawings) | \$75.00/hour |
| 11. Inspection of any stage of construction more than 2X | \$150.00 |

Notwithstanding any of the above fees where an existing building or structure is converted to a new permitted use, the applicable fee structure applied shall be the fee structure that is applicable to the end use of the building or structure.

Schedule "B" By-Law 2022-0005

Respecting Refund of Permit Fee

- A. The fees that may be refunded shall be a percentage of the fees payable under this By-law, as follows
 - i. 80 percent if administrative functions only have been performed
 - ii. There shall be no refunds of permit fees once a building permit has been issued.
- B. Notwithstanding paragraph A above, no refund shall be made of an amount \$150.00 or less
 - i. The foregoing refundable percentage or amount paid do not apply to that portion of the fees designated re-inspection fees. Fee are totally refundable when the work has not commenced and application for refund is made within six (6) months of the building permit issue.

There shall be no refund of any building permit fees where,

- i. A building permit has become null and void;
- ii. A building permit has been revoked for non-compliance or any other reason.

Building fee refunds are payable to the Building Permit holder only, unless written direction from the building permit holder, indicating otherwise, is received by the Building Department prior to refund issue.

Schedule "C" to By-law #2022- 0005

**Prescribed Forms
Index**

	Description
1.	Building Permit Application
2.	Application for Permit to Occupy a Building prior to completion
3.	Application for a Change of Use

Schedule "D" to By-law #2022- 0005

Plans and Specifications

Plans shall be drawn to scale, shall be legible and including working drawings as identified herein.

A. Building Plans shall be to scale and include the following as applicable,

- (i) Foundation Plan/Basement Plan;
- (ii) First floor Plan;
- (iii) Second Floor Plan;
- (iv) Heating Ventilation Air Condition (HVAC) design;
- (v) Wall sections and details;
- (vi) Elevation Drawings (4 views); and
- (vii) Any Engineered drawings, materials, products, etc.

B. Site Plan to include, but not limited to, the following

- (i) Be drawn to the appropriate scale
- (ii) The boundaries and dimensions of the subject land
- (iii) The location, size and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the buildings and structures from the front, rear and side yard lot lines.
- (iv) The approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land that in the opinion of the applicant may affect the application. Examples include, barns, buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and sewage systems.
- (v) The location, width and name of any roads, within or abutting the subject land, including Unopened Road allowance, Shoreline road allowances, public traveled roads and private roads and right of ways
- (vi) If access to the subject land is by water only, the location of the parking and docking facilities to be used
- (vii) The location and nature of any easement affecting the subject land (i.e. Ontario Hydro, Bell Canada, access roads or driveways).
