Request for a Letter of Concurrence to proceed with the construction of a Roger Communications Cell tower at 1480 County Road 504, Apsley, Ontario

Dear Edward;

With the conclusion of the public consultation process on July 11, 2025, we respectfully request the Township of North Kawartha provide a letter of concurrence to Innovation Science and Economic Development Canada (ISED). We would be pleased to assist the Town by providing the correct contact at ISED where the letter should be delivered. Should you find it helpful, we can also provide copies of similar concurrence letters prepared by other land use authorities in Ontario. Thank you very much for your assistance with this application.

Sincerely,

Robert Huras
