- organization category (Ontario Public Service/Ontario Legislative Assembly, Designated Public Sector, Business or Non-profit)

Note: If you select the wrong organization category, you may see questions that do not apply to you. You will need to correct the category and enter your data again to successfully submit your report.

- · number of employees in your organization in Ontario
- name and contact information of your certifier (a director or senior officer with legal authority to say that the report is complete and accurate)
